Dandruff Soon

Ruins the Hair

Giris—if you want plenty of thick, beautiful, glossy, silky hair, so by all means get rid of dandruff, for it will starve your hair and ruin it if you

don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you desiryo it entirely. solve it, then you desiryo it entirely. To do this, ggt about four cunces of ordinary liquid arvon; apply it at night when retiring; us enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and disgins of the scalp will stop, and your hair will look and fel a hundred times bitter. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will the connecticut Editorial Association.
